

FRIENDS OF THE TREES BOTANICALS

2010 SEED CATALOG

These are our seeds in stock as of December 24, 2009

- * 2009 has been a bountiful seed year at my 2nd-year Tonasket plantings with 150 + pounds of seeds from 64 species.
- * My herb seed production is substantial this year.
- * This year I have gotten more into vegetable and culinary herb seed production.
- * I have collected no native plant seed this year.
